conscription regulations. It was permitted to offer some inducements to prospective inductees. For example, a service man in Manchuria who had a family depending on him for support might be offered two and one-half acres of land in Manchuria and an allowance covering the travel expenses of his family from North Korea to Manchuria.	
an office of North Korean air force headquarters occupied five storage shelters on the southern side of a mountain 1.5 kilometers northeast of the Kobang-san mine (125-52, 39-03) (YD-4826) and east of Nungna-do (125-47, 39-03) (YD-4126). Some of the storage shelters were used for the storage of plane accessories. The headquarters office of the North Korean air force 4 Battalion, 2 Regiment, was in the vicinity of Sadong-ni (125-49, 39-01) (YD-4422). Other North Korean air force officers occupied 10 grass roofed houses and 5 tile roofed houses in	50X1-HUM
vegetable fields three kilometers southwest of Sadong-ni.  1. Comment. It is not known which airfield of the Sariwon complex is	50X1-HUM
